N/A means the fund was not yet established as part of the KBOR mandatory retirement plan.

Annualized rates of return are after Annual Expenses & Fund Expenses are subtracted; Surrender Charges are not.

(1) Check with the retirement plan to determine if surrender charges are reduced or eliminated based upon participant age at employment termination or retirement and the age of the contract. ING waives the surrender charge at employment termination or when the contract is 10 years old. Security Benefits waives surrender charges after the contract is eight years old and on the annual 10% free withdrawal.
